

24-Hour Emergency Services

ATP Restoration is dedicated to responding 24/7/365 to address your **residential** or **commercial** property's restoration needs. Our expert team is committed to securing your property, preventing further damage, and safeguarding against unwanted intrusions. Serving the Kansas City Metro and surrounding areas, we pride ourselves on our rapid response and professional approach to property restoration.

Emergency Services include but not limited to:

- **Fire and smoke damage:** Boarding up and securing open, exposed areas of the structure; as well as tarping off exposed areas of the roof.
- **Water Extraction:** Water damage must be addressed immediately. Addressing the damage and removing excess water as soon as possible can drastically reduce the amount of damage done to the structure. Our **IICRC Certified** crews will remove the excess water and begin the drying process immediately using the proper equipment while continuously monitoring the drying process.
- **Vehicle Strike:** Securing the structure and boarding up until repairs can be made.
- **Plumbing Winterization:** Fully winterizing the water lines of the structure after a loss to eliminate possibility of further damage from a pipe burst.
- **Structural/Shoring Up:** After major damage, if necessary, ATP Restoration can shore up the structure to prevent further damage and make structure safer to be in.
- **Fencing:** Fencing around the structure to prevent unauthorized personnel from entering the work area.

Great teams achieve great results! Make the call to ATP Restoration and you mobilize a team of experienced and trusted industry professionals who get the job done right and on time. ATP can handle any size and any type of loss offering a true, turn-key solution with immediate response. Our Team brings more than 75 years of skill and experience to address your need.
